Highlights

- The RN-BSN program at Georgia Highlands College provides registered nurses with an opportunity to advance their careers by earning a bachelor’s degree in nursing.
- The program is offered online asynchronous so students can continue working while going to school.
- The program can be completed in as little as three consecutive semesters full-time or four semesters part-time.
- Faculty have students complete quizzes each week so they can more easily track student progress.
- Faculty include case studies as discussion points so that the modules, the text, and the discussions all flow together, allowing students to learn a specific concept in multiple ways.

Lippincott RN to BSN Online is a full curriculum online course solution aligned to the guiding nursing curriculum standards, AACN’s BSN Essentials, and QSEN. Georgia Highlands uses Lippincott RN to BSN Online in the following ways:

- Students use the self-paced multimedia modules that foster experiential, active learning.
- The program’s instructional design strategies, including storytelling, modelling, case-based, social, and collaborative learning, help students develop a meaningful understanding of the material.

Results
